

Fall at UP!

As the holidays approach, we are filled with immense gratitude as we reflect on the different ways our community has come together to support UP this year! We are able to serve more guests than ever before. Our mission, ***to provide day shelter, resources, emotional support, and community connections to women, children, and marginalized genders experiencing homelessness***, would not be possible without the support of those around us.

In two weeks, UP will be participating in Giving Tuesday! This day, observed nationwide, has a powerful purpose: to encourage people to do good! Your generosity this holiday season can contribute towards making an impact in the lives of the women and children experiencing homelessness in our city.

How you can support UP on Giving Tuesday:

- [Donate via our website](#). Every dollar counts when fighting to end homelessness for woman and children in our city.
- [Donate via our Amazon Wishlist](#). This list is comprised of items we strive to hand out ***daily*** during months with cooler temperatures!

Stay tuned via email and [our social media](#) for more ways to give this month! We cannot thank you enough for your kindness and generosity.

As the year comes to a close, please keep UP in mind while you plan for your year-end giving! Unfortunately, homelessness continues to exponentially increase in Louisville. You can be a part of the solution!

By supporting UP your contribution can make a lasting impact in the lives of women, children and marginalized genders experiencing homelessness in our city.

Thank You!

Hunger and Homelessness Awareness Week

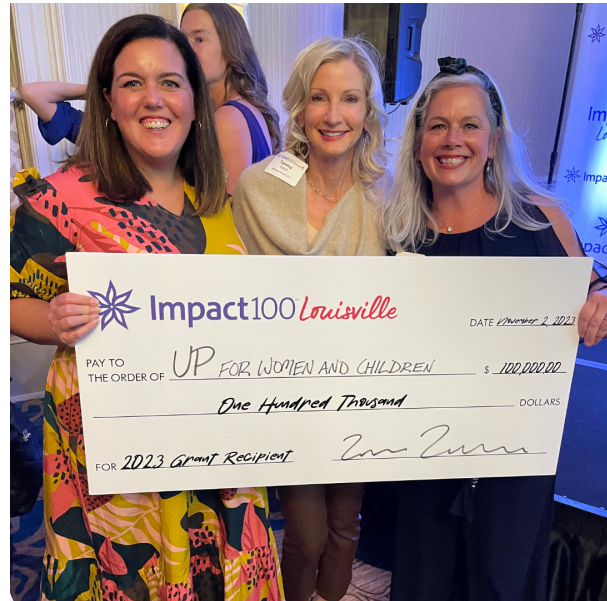

This November, UP will be observing Hunger and Homelessness Awareness Week. This week, **November 11th - 18th, 2023**, is an annual program where people all over our country come together for the purpose of raising awareness of the problems of hunger and homelessness.

Join UP in observing Hunger and Homelessness Awareness Week by lighting a candle for those in need or taking a moment to express gratitude for the simple things like food and shelter that we often take for granted. Your small actions can make a big difference in creating awareness and compassion.
